Who is the CCBDC?

The Claremont Colleges Ballroom Dance Company (CCBDC) is a competitive and performing dancesport company. The CCBDC is made up of nearly 80 dancers from across the five Claremont Colleges and supported by a group of nearly 300 social dancers in classes and associated clubs. Already six-time national collegiate champions, the CCBDC also has a strong focus on giving back to the community, making lessons, performances, and social dancing opportunities accessible to the entire collegiate and local community.

Why sponsor the CCBDC?

1. REACHING YOUR AUDIENCE:

As a company sponsor, your name will reach over 5,500 students and faculty at the Claremont Colleges. With strong relationships across Southern California and even internationally, the CCBDC also attracts dancers and dance-lovers worldwide to our events and performances- extending your promotional efforts far beyond the city of Claremont.

2. MEDIA QUALITY:

Events put on by the CCBDC continue to draw incredible numbers of people for the simple reason that our events are produced with the highest quality in mind. This includes the programs and leaflets distributed at each event. As a sponsor, you can be assured that your business will be presented in the best light with professional quality production alongside the renowned CCBDC name.

3. PROFESSIONAL PARTNERSHIP:

By becoming a Gold, Silver, or Bronze sponsor, you are making a contribution not just to the local and collegiate community, but also to yourself. The CCBDC values its sponsors and promises a mature and long-lasting relationship.

4. VALUE:

By sponsoring the CCBDC, you reach a wide audience and enhance your company's positive exposure. More importantly, you make an impact on our community. The CCBDC commits itself to a community service program, but also relies on that same spirit of contribution from other members of the community to succeed. Your sponsorship helps young dancers achieve their dreams, from buying their first pair of dance shoes all the way to flying to national and international competitions.
